As to the Draft of the COSAC Statement on the Recent Entry Bans Imposed by the Russian Federation I hereby propose to refrain from unilateral claims and correspondently substitute the narrative of the Draft Statement with the text, which follows,

“Underscoring the importance of effective cooperation between all nations and governments for the sake of resolution of the crisis in the territory of Europe for benefit of it, COSAC calls on the institutions of the European Union as well as on the authorities of the Russian Federation to start immediate negotiations and agree on the cancellation of all reciprocal entry bans recently imposed on politicians and officials of both Russia and the EU.”

Sincerely,
